

## **Relaxation of COVID-19 Countermeasures** **(for Holy Mass)**

In accordance with the “Stage 2 COVID-19 Precautionary Measures” set out by the Archdiocese of Tokyo (*Circular dated June 24, 2022 from the Archbishop of Tokyo*), we have made the following changes to our Church’s precautionary measures:

- 1. Before the Holy Mass, copies of "Liturgy and Readings" and "Monthly Notice" will be placed at the entrance of the church. Please get a copy of them to your seat.**
- 2. Mass participants are not required to fill out a contact card.**
- 3. During the Holy Mass, participants can recite prayers or sing hymns together, but please make sure to wear your face mask and recite or sing in a quiet voice. To avoid infection, hymn books will not be provided.**

In addition, we would appreciate your continued cooperation in the following precautionary measures against infection:

- Wearing a face mask while inside church buildings
- Checking your body temperature at the entrance
- Sanitizing your hands when entering and leaving the church
- Sanitizing your hands immediately before receiving Holy Communion
- Taking home the "Liturgy and Readings" after use

The restricted number of seats remains unchanged. For Sunday Mass, please check the groups listed on this website and attend the Mass at the designated time for each week.
